Date of Signature: April 13, 2007

To: Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313

COMMUNICATION TRANSMITTING EXECUTED DECLARATION

Dear Sir:

The above-identified patent application was filed on August 8, 2006 with an unexecuted Declaration. To date, Applicant **has not received** the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US). To avoid the consequences of a steadily receding 35 USC §102(e) date, applicants submit herewith an executed Declaration of Applicants - in the absence of the Notification of Missing Requirements.

The Commissioner is authorized to charge U.S. Deposit Account No. 08-1935 in the amount of \$65.00 for the Missing Requirements surcharge. The Commissioner is authorized to credit any

overpayment or charge any additional filing fee required to U.S. Deposit Account No. 08-1935.

The application, as filed, was accompanied by an unexecuted declaration and an Application Data Sheet (ADS) according to 37 CFR § 1.76. The original ADS incorrectly listed the Assignee as "Cambridge Laboratories, Ltd." It has come to our attention that the correct Assignee should be "Cambridge Laboratories (Ireland) Limited.

Since the Office derives its bibliographic data from the ADS, in order to assist the Office, Applicants submit herewith a new Application Data Sheet naming the correct Assignee.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Philip E. Hansen", is written over a horizontal line.

Philip E. Hansen
Agent for Applicants
